REVENGE IS FOR THE BIRDS.

After retiring to Metropolis following his “death,” Oswald Cobblepot finds himself forced back into the unpredictable and violent Gotham City underworld as a pawn for the United States intelligence community! Gotham’s criminal element has been evolving since he was last in the city, with his bastard twin children ruling the Iceberg Lounge. And what of the man he framed for his death—Batman? Is the Penguin walking into a death sentence?

From award-winning and bestselling writer Tom King (*Batman*, *The Human Target*) and artist Stefano Gaudiano (*Gotham Central*, *The Walking Dead*) comes a bloody, hard-boiled tale of redemption and revenge!

Tick, tick, tick goes the clock as Gotham City prepares for another shocking murder at the hands of The Joker! The brutal and terrifying tale of The Joker and Batman's first meeting continues as Tom King and Mitch Gerads once again deliver a shocking, bloody blockbuster tale!

Stormwatch race to find an ancient sword that has long been buried in the darkest depths of the ocean. A sword of unspeakable horrors, capable of wiping out entire civilizations. But they may already be too late: a group of exiled Xebels have found the blade and are hell-bent on bringing humanity to its knees. For one member of Stormwatch, this may be the end.

All-star creator Joëlle Jones (*Catwoman, Wonder Girl*) gives readers a Batman Black & White tale exploring Batman's scars, both literal and psychological, revisiting the Dark Knight's toughest fights and deepest wounds.

In part two of "Order of the Black Lamp" from writer Christopher Cantwell (*Briar, Iron Man*) and artist Javier Rodriguez (*Defenders, Daredevil*), Superman uses a mysterious decoder ring to uncover a location with a shocking tie to his past!

FORGING THE FUTURE!

The Metropolis of the future is here today, but can it survive a terrorist who's out for revenge against its builder—John Henry Irons, a.k.a.

Steel—and his company, Steelworks...and who possesses secrets that could undo everything John has worked so hard to build?

While John's professional life is firing on all cylinders, his personal life is even better, as his on-again, off-again relationship with Lana Lang might be back on, permanently. Now he must decide whether it's time to give up being Steel once and for all. But does John even know who he would be without his superhero identity? How does the other Steel—John's niece, Natasha Irons—feel about his momentous decision? And does any of that matter if Steelworks crumbles around him when he lacks the superpowers to fight back? Writer Michael Dorn (the voice of Steel in *Superman: The Animated Series*) teams up with artist Sami Basri (*Harley Quinn*, *Catwoman*) to bring you the next chapter of Steel's saga in this not-to-be missed six-issue miniseries!

 The identity of Arclight, a known member of the rogue metahuman group the Vigil, is unknown at this time. However, observations conclude that he is the leader of the group, which also consists of Dodge, Saya, and Castle...among other possible members unknown at this time.

Evidence shows there is a link between Arclight's military history with the pirates who have taken control of a boat along the coast of Thailand and the island destination where the contents of the boat were headed. What secrets does this island contain, and is it another government experiment covered up as a "conspiracy" only believed by heretics? Stay tuned for more!

Harley Quinn and Poison Ivy go to extreme measures to get a little alone time...but there's nowhere on the planet Crush can't crash! Jon Kent gets a comprehensive course in dark magic when John Constantine sics a golem on him. Tim Drake and Connor Hawke learn that there's nothing more awkward than reuniting with an old friend after you've both come out and one of you was indoctrinated by the League of Shadows for a while. Circuit Breaker struggles to stifle his powers after the Flash of Earth-11 leaps out of the time stream and knocks them both into another dimension. Just how far would Flashlight go to honor his lost love? All these stories and many more in *DC Pride 2023!*

This year's anthology also includes:
• An introduction by Phil Jimenez!
• A 5-page preview of Dreamer's YA debut written by Nicole Maines and drawn by Rye Hickman!
• A parade of pinups by Babs Tarr, Maria Llovet, Brandt & Stein, Noah Dao, Travis G. Moore, and more!

DC Pride is back again with a brave and bold and all-new collection of stories starring DC's fan-favorite stable of LGBTQIA+ characters—many of whom will find themselves in thrilling team-ups the likes of which you've never seen before!

Demon club the King of Pain offers the Corinthian a chance to indulge his most murderous tendencies, and the walking nightmare finds himself ravenous after years of guarded restraint. And though the first taste is free, what starts as a snack quickly escalates to a feast, and there will no doubt be hell to pay. Are the club's offerings enough to keep the Corinthian satisfied? Or will blood spill across the streets of San Francisco just as the immortal witch Thessaly enters the fray, seeking to satiate a hunger of her own?

From the imagination of *New York Times* bestselling author Neil Gaiman comes this final volume of stories that find him revisiting Morpheus, the Endless, the realm of the Dreaming, and beyond.

In the Hugo Award-winning prequel series *The Sandman: Overture*, illustrated by J.H. Williams III, Gaiman returns to the Sandman Universe after a 17-year break to spin a tale in which Morpheus must save the universe from a rogue star. The comic book version of *The Sandman: The Dream Hunters* adapts the *Dream Hunters* prose novel into a lush four-part miniseries drawn by P. Craig Russell. And in *The Sandman Universe*, plotted by Gaiman, writers Simon Spurrier, Kat Howard, Nalo Hopkinson, and Dan Watters expand upon the characters and worlds Gaiman created for a new generation of readers.

The Sandman Book Six is the perfect bookend for Sandman completists and fans of modern fantasy.

The penultimate issue of this hit miniseries features an unusual break in format, as we will see Edward Nashton constructing his master plan for taking down the corrupt officials and criminals of Gotham City in the pages

of his journal. As his mind spirals deeper and deeper, so too does his writing become more unhinged. How can he continue to labor at his accounting job by day while also become more enraged by what he's uncovered?

As shown in *The Batman* movie, Edward fills thousands of pages with his rantings. Here we get a glimpse into something that was never meant to be seen and a mind equally brilliant and unhinged. By the end, a turning point will be reached and Gotham's greatest menace will come one step closer to being unleashed.

Actor Paul Dano (*The Batman*) and artist Stevan Subic continue the origin of the Riddler, leading up to his appearance in Matt Reeves's epic film.

Something is terribly wrong with Batman. No matter the tests Bruce takes, nor the numbers he counts, the greatest detective in the world can't pin

down the source of this creeping dread—of his own inner demons and a looming mortality. Meanwhile, real demons roam the shadows as an ancient melody haunts the Gotham night. As Batman investigates the songs and the demons of Gotham, he is forced to confront the oldest question: Has there has been a demon within him all along? And if so, what does it want...and why hasn't it taken over yet?

The story of Wonder Girl, Yara Flor, starts here! Raised in the exotic, far-off land of Boise, Idaho, Yara has always felt something was missing from her life—and now she is headed to Brazil to find it! Unbeknownst to Yara, her arrival will set off a series of events that will change the world of Wonder Woman forever. Her return has been foretold by an ancient prophecy, and with that comes the undivided attention of benevolent gods from pantheons beyond. Danger lurks around every corner, but is this young hero ready for her journey?

Wonder Woman must battle the gods themselves in this can't-miss collection reprinting *Wonder Woman* #795-800! The scorned love god Eros is ready to take over Washington, D.C., in Hera's name, and that's just the beginning of an astonishing battle between Wonder Woman and the gods she once worshipped. But even Diana can't stand against her pantheon alone, so she'll need the new champion of Shazam to turn the tide. All this and more as one era of Amazon adventure ends, and another incredible chapter begins.
