Crime is down in Gotham City...Could that be a bad thing?

A coordinated effort in Gotham has led to a reduction in violent crime, but at what cost? Villains scatter as their lives begin to crumble under a new regime.

And as Batman recovers from his epic battle through the Multiverse and the horrors of Knight Terrors, one name runs through his mind. One name at the heart of this new, safer Gotham...Catwoman.

A conflict that's been brewing for well over a year finally hits the streets, and it will fracture the Bat-Family as war erupts! From bestselling writers Chip Zdzarsky and Tini Howard and artists Mike Hawthorne and Adriano Di Benedetto comes the opening shot in the Gotham War!

Every mission matters. Every life saved is a miracle. But this time, it's personal.

Dinah Lance is one of the DCU's most elite fighters, and combined with her sonic scream, she's a fearsome foe in any scenario...but sometimes even the Black Canary needs help. Faced with a personal mission brought to her by a mysterious new ally, and up against near-impossible odds, she re-forms the Birds of Prey with an unrivaled group of badasses—Cassandra Cain, Big Barda, Zealot, and Harley Quinn—and only one goal: extraction without bloodshed. What could possibly go wrong?

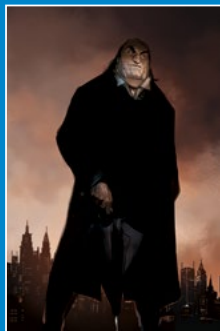

Kelly Thompson (*Captain Marvel*, *Black Widow*) makes her long-awaited DC Universe writing debut, and is joined by her *Hawkeye* partners-in-crime Leonardo Romero (*Batman*) and Jordie Bellaire (*Wonder Woman*) to debut an all-new, all-deadly Birds of Prey series...still breaking hearts and faces after all these years!

Things could not possibly be worse for Fire and Ice, in Beatriz da Costa's professional opinion. Superman sent the former Justice Leaguers packing for Smallville following an extremely public and utterly disastrous mission (that

was all Guy Gardner's fault, thank you very much) and in doing so doomed them to a fate worse than death: *irrelevance*.

Ice finds herself drawn to the quiet life and dreams of planting roots. But Fire...well, Fire will do just about anything to get the heck outta Dodge and back on the hero circuit—including challenging the DCU's biggest villains to a knock-down, drag-out, live-streamed brawl in the streets of Smallville!

A raucous, timely, unflinching comedy about a decades-long friendship on the brink of disaster and what it means to be a superhero at a crossroads in your life, *Fire & Ice: Welcome to Smallville* reintroduces the iconic duo to the Dawn of DC, in a series from rising star Joanne Starer (*The Gimmick*, *Sirens of the City*) and *Moon Girl and Devil Dinosaur* co-creator Natacha Bustos!

"When you chase your own shadow...it leads you into the abyss."

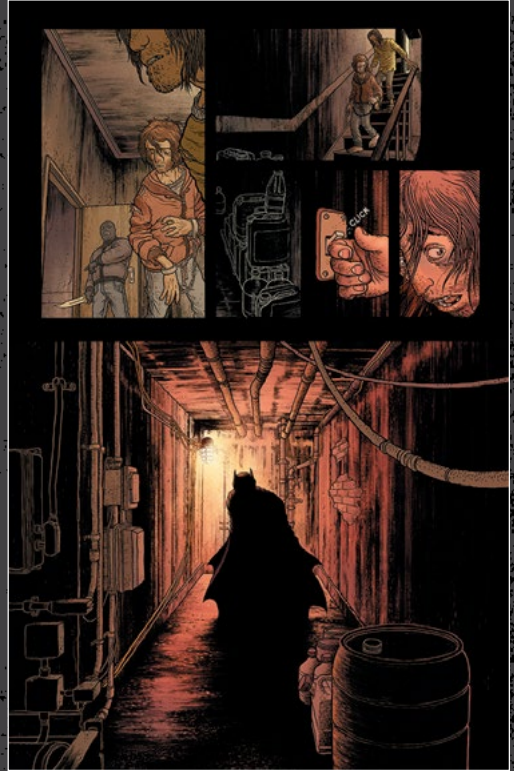

In a Gotham City where every day feels darker and more irredeemable than the last, Batman makes a definitive choice—to kill off the Bruce Wayne identity for good and embrace the cowl full-time. But though

he knows the streets of Gotham, Batman will soon come to find that he hardly knows himself. A serial killer is on the loose, and while the murder victims seem random at first, every clue draws Batman closer to the terrifying truth—that they are all connected, not just to each other... but to him...

When an all-new rogues gallery of utterly depraved villains begins to emerge from the depths of the city, Batman will have to contend with the very nature of evil—including that which lurks inside in the darkest corners of his own heart—to face what's coming for his city.

*Batman: Gargoyle of Gotham* brings Rafael Grampá's twisted vision of both the Dark Knight and the city of Gotham to life in a DC writing debut that will reach its icy black tendrils into the deepest and darkest corners of human nature and leave you gasping for breath—and for more!

Award-winning actor Paul Dano expands upon the backstory of the character he played in Matt Reeves's hit movie *The Batman*. This version of the Riddler isn't simply an amusing eccentric with an affinity for wordplay and baffling clues, but as terrifying a villain as any in the annals of the Dark Knight. Here you will see Edward Nashton evolve into a menace who holds all of Gotham City in his grip. How did an unknown forensic accountant uncover the dark secrets of both Gotham's underworld and its political leaders and come so close to bringing down the entire city? This prequel to *The Batman* presents the detailed, disturbing, and at times shocking story of a man with nothing to lose. Dano is joined by acclaimed European artist Stevan Subic, making his American comics debut. Collects *The Riddler: Year One* #1-6.

Two of the Sandman Universe’s most beloved characters return to the spotlight!

Charles Rowland and Edwin Paine have been detectives for decades—and best friends even longer. But their investigation into a Thai American girl’s disappearance from her Los Angeles home puts them on a collision course with new and terrifying Thai ghosts that could give even a dead boy nightmares! Even scarier than the ghosts? Though neither wants to admit it, the boys might be growing apart. And perilously close to the boys’ adventure, Thessaly the witch finds herself held hostage by dangerous magics—both a threat to her life and an insult to her ego that will simply not go unanswered...

Eisner Award-winning writer Pornsak Pichetsnote (*The Good Asian, Infidel*) is joined by celebrated artist Jeff Stokely to take the Dead Boys to the scariest place of all: the heart of Hollywood!

Batman is the World's Greatest Detective. But can he also live up to his other accolade of world's greatest dad?

Being a father to an endless supply of adopted, fostered, and biological children is its own challenge. But when you're Batman, surrounded by a slew of super-powered (and not) teenagers, you'll need every bit of your intellect to manage the brood. And Wayne Manor can barely contain the antics of Nightwing, Batgirl, Red Hood, Orphan, Spoiler, a few Robins, and newcomer Duke Thomas, a.k.a. the Signal, as they learn not only what it is to be heroes, but what it means to be a family.

In this continuing story, we are greeted by a few newcomers, including Catwoman, Superboy, Impulse, Wonder Girl, and other well-known faces from Gotham City and beyond in stories about dating, learning to drive, going on patrol, and simply what it means to be a teenage superhero.

Written by CRC Payne with inks by Starbite, this volume collects episodes 26-51 of WEBTOON's Eisner-nominated series, optimized for a brand-new reading experience in print. Includes never-before-seen bonus content from the creators themselves!

After learning of an enslaved race with mysterious ties to Krypton, Superman and the Authority leave Earth and travel across the galaxy to liberate Warworld. Think it's that simple? Think again.

With Superman captured on Warworld, he'll need to team up with other enslaved gladiators to turn the hordes of Warworld against their captors. As the Warworld Saga reaches a breaking point, battle lines are drawn between the two towering forces at odds: Mongul and Superman. Which heroes will survive the conflict, and what will be the fate of the citizens of Warworld?

This volume collects the full Warworld Saga: *Action Comics* #1030-1046, *Action Comics 2021 Annual*, *Action Comics 2022 Annual*, *Batman/Superman: Authority Special* #1, *Future State: Superman: House of El* #1, *Future State: Superman: Worlds of War* #1-2, and *Superman: Warworld Apocalypse* #1!

Since his arrival marked the dawn of the superhero age, Superman has waged a never-ending battle for truth and justice. But before the dawn came the darkness, when another with incredible power fell to Earth—one who could spell the end for the Man of Steel. From superstar writer Scott Snyder and legendary artist Jim Lee comes a cutting-edge take on the hero who started it all! Collects *Superman Unchained* #1-9.

## THE HUMAN TARGET VOLUME ONE

Written by **TOM KING**  
 Art and cover by **GREG SMALLWOOD**  
 \$19.99 US | 192 pages | 6 5/8" x 10 3/16" | Softcover | ISBN: 978-1-77952-049-4  
**ON SALE 10/24/23**

Christopher Chance has made a living out of being a human target—a man hired to disguise himself as his client to invite would-be assassins to attempt his murder. He's had a remarkable career until his latest case protecting Lex Luthor, when things go sideways. An assassination attempt Chance didn't see coming leaves him vulnerable and left trying to solve his own murder, as he has 12 days to discover just who in the DC Universe hated Luthor enough to want him dead by slow-acting poison. And the prime suspects happen to be...the Justice League International!

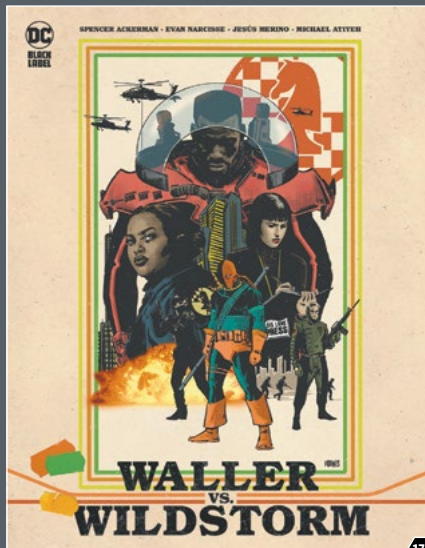

This volume collects *The Human Target* #1-6, the first half of the murder mystery.
